Dear Parents/Guardians,

It is hard to believe it is already October! Sandhills Elementary School would like to thank you for your time and support thus far. We are working extremely hard to personalize your student's learning experience at SES. We have assessed all of our students using a comprehensive assessment model. These assessments give us valuable data points used to identify and meet the developmental needs of your student in the area of reading/writing and problem solving. Part of our personalization process is to communicate valuable information to create and set learning goals for your student and progress monitor their learning moving forward.

On **Monday, October 16, 2017**, Sandhills Elementary School will host a parent/teacher conference from 8-3:30 p.m. This conference will glean valuable information for communicating best practices in accordance to Read to Succeed Act 284. Our intent is to communicate timely data, create growth goals and strategies to support your student.

We look forward to seeing you on Monday, October 16 for parent teacher conferences. If you have not received schedule information please call or email your teacher to make an appointment. We look forward to seeing you soon. Please feel free to complete our AdvancED parent survey at www.lexington4.net (click on the SES link) so we know how best to serve you and your student's needs. Thank you for the opportunity to grow, serve and innovate with you and your student!

Sincerely,
Bryan Evans, Principal, Sandhills Elementary and Primary Schools

Dear Parents,

In an effort to improve our practices, each of our schools is conducting a Parent Survey. We value your opinion and ask that you take a few minutes to complete the survey for each school that your student(s) attend.

Be assured that your responses to this survey will be anonymous. We appreciate your investment of time to provide honest feedback that will help guide our continuous school improvement.
